## Real Treasure

A priest placed a mirror at the end of the church and asked everyone to look in to it. At the edge of the mirror was written, 'This is your greatest treasure'.

The rich man in today's gospel thought treasure was in wealth. The wisdom of Jesus is that our greatest treasure is inside ourselves - each of us - made in the image of God, by love and for love.

The gospel today asks us to look in the right place for our true wealth and riches - in our giving of time and self to others in the sort of relationships of love which value the worth and dignity of all.

From the work of Donal Neary SJ

"In each of you there is a chest, a box, and there is a treasure in it. Your job is to open this chest, take out the treasure and multiply it, give it to others, and get the treasure from others.

What you do helps us understand that life is a beautiful treasure but it only makes sense if we give it away".

Pope Francis Feb, 2015.
