### The new edition of the Roman Missal

The texts of the new edition of the Roman Missal are being introduced in two phases to avoid too much change happening at once. From the **second Sunday of September** we will begin to use the new translations of the people's prayers and responses at Mass, for example, the Confiteor, the Gloria and the Creed. These texts will be in special Missalettes in our churches.

From the **First Sunday of Advent** the new translations of the prayers of the Mass that are led by the priests will come into use, for example, the Collect or opening prayer and the Eucharistic Prayer.
