

# TULLOW, GRANGE & ARDATTIN PARISH NEWSLETTER

8th August, 2010. Nineteenth Sunday in Ordinary Time.

## Stay Awake!

“To live well, we must live the present moment”

The real measure of life is not whether we have lived the length of our days, but whether we have lived the depth and breadth of them—whether in other words, we have lived them to the full. All the experiences of life—births and deaths, loving and losing, gaining and failing, laughing and crying—happen in every life and we cannot avoid them.

What we can do is drink deep from every moment, rejoice in every experience, some exhilarating, some exhausting, but all of them important; live every part of the way; learn from every colourless as well as from every colourful moment in our lives.

“Now is the time” Sr Stanislaus Kennedy
