## Trocaire Campaign 2018

Fear is the deafening sound of war.  
Love is the hand that quietens it.

Fear is the voice that's never heard.  
Love is breaking the silence.

Fear is the truth that's locked in the dark.  
Love is the courage that frees it.

Fear is the hunger that starves all hope.  
Love is the food that feeds it.

As long as pain exists, as long as suffering is  
here, we will stay.

Trocaire. Until love conquers fear.
