TULLOW, GRANGE & ARDATTIN PARISH NEWSLETTER

8th November, 2009. Thirty Second Sunday in Ordinary Time.

"From the little she had, she has put in everything she possessed, all she had to live on".

There are different ways of giving, as we are reminded of in today's readings.

There is the example of the scribes, which is condemned by Jesus.

Their giving is done to attract attention so that they will be noticed and praised by others.

But there is another kind of giving. We see this in the story of the widow in the first reading, who from the goodness of her heart shares her last piece of bread with the prophet. We see it in the Gospel, where the widow humbly offers all she has.

This is the kind of giving that the Lord invited us to: where we give from the heart out of love and generosity.
