TULLOW, GRANGE AND ARDATTIN PARISH NEWSLETTER

13th January, 2019.
The Baptism of the Lord.

The Baptism of Jesus

Having reached adulthood, Jesus began his public ministry by going to the River Jordan to receive from John a baptism of penance

and conversion. In doing this Jesus shows his solidarity with us, with our efforts to convert and to be rid of our selfishness, to break away from our sins in order to tell us that if we accept him in our life he can uplift us and lead us to the heights of God the Father.

Jesus truly immersed himself in our human condition, and was able to understand our weakness and frailty. For this reason he was moved to compassion. He chose to “suffer with” men and women, to become a penitent with us. This is God’s work which Jesus wanted to carry out: the divine mission to heal those who are wounded and give medicine to the sick, to take upon himself the sin of the world.

Pope Benedict – January 2013.

CARE FOR OUR EARTH

“Our Sister Earth now cries out to us because of the harm we have inflicted on her by our irresponsible use and abuse of the goods with which God has endowed her. We have come to see ourselves as her lords and masters, entitled to plunder her at will. We have forgotten that we ourselves are dust of the earth. Our very bodies are made up of her elements. We breath her air and we receive life and refreshment from her waters”.

Pope Francis: 'On care for our Common Home'.
