The Widows Mite

(a mite is the smallest and least valuable Roman coin)

Today's Gospel is about the widow who gave from her "livelihood and not from her surplus". As Mother Teresa puts it "Give, but give until it hurts".

Mother Teresa's own mission in life, was not solely about the giving of money. Because she could see that "The most terrible poverty is loneliness, and the feeling of being unloved", Mother Teresa gave all of her time to the poorest of the poor.

Time cannot be replaced, replenished or renewed. It is the most precious gift that we all possess, and the most precious gift that we can devote to other people.

We must ask God to help us know how to spend our time wisely.

"We make a living by what we get, but we make a life by what we give" - Winston Churchill.
