Today's Gospel is different. Jesus offers us his predictions and teaching about the end of the world. He instructs his disciples about the need for watchfulness so that they will not be caught unprepared for this final day of judgment.

Jesus' words are not spoken to frighten his disciples, nor should they frighten us. Rather, they are offered to prepare us for the changes we will experience during our lifetimes and at the end times. Our hope is found in the lasting nature of Jesus' words and God's never-ending love for us.

From Loyola Press

The words of Pope Francis

"There is never a reason to lose hope. Jesus says: 'I am with you until the end of the world'".

Jesus is our hope. Nothing - not even evil or death - is able to separate us from the saving power of his love".

PLEASE PRAY FOR Maura O'Sullivan, Ardoyne and Mary Wallace, Ballinderry, Mullingar (mother of Anne Cleary, Rathglass) who died during the week.
