MISSION SUNDAY

In today's Gospel Jesus speaks to those who see their mission in life as the pursuit of importance. The mission Jesus sets out for us is very different.

“Anyone who wants to become great among you, must be your servant and anyone who wants to be first among you must be slave to all.”

Mother Teresa

- At the end of our lives, we will not be judged by how many diplomas we have received, how much money we have made or how many great things we have done. We will be judged by “I was hungry and you gave me food to eat. I was naked and you clothed me. I was homeless and you took me in”.

Pope Francis

- On this World Mission Sunday all of us are invited to “go out” as missionary disciples, each generously offering their talents, creativity, wisdom and experience in order to bring the message of God's tenderness and compassion to the entire human family.
