## **TULLOW, GRANGE & ARDATTIN PARISH NEWSLETTER**

**28th August, 2011. Twenty Second Sunday in Ordinary Time.**

### **Why are we getting a new Missal?** **The new edition is necessary for a number of reasons:**

Firstly, in the years since 1975 when our current Missal was published, a number of additional texts have been made available for use in the Mass. These include additional Eucharistic prayers and Masses for over 20 new Feasts of Saints. These and other new material need now to go into the Missal so that they can be used in our celebrations.

Secondly, in recent years Rome gave new directions for the translation of Latin texts. Translators were asked to make the English text follow more closely the original Latin in its wording and structure. They were also asked to strengthen the Biblical language and images in the texts and to reintroduce some theological vocabulary that may have been lost over the years.

Across the English speaking world the Third Edition of the Roman Missal will, therefore, include both new material and a new style of translation
